

## Scholarship rates for mobility grants

(per person for the whole event, incl. 2 days of travelling and 5 days of stay)

N.	Type of scholarship per person	Rates in PLN (Polish zloty, zł)
1	Flat rate for subsistence and accommodation	2100,00
2	Total daily allowance scholarship	525,00
3	Flat rate for travel (Lithuania)	1000,00
4	Flat rate for travel (Finland, Germany, Sweden)	1500,00
5	Flat rate for travel (France, Ireland, Italy, the Netherlands, Norway)	2000,00
6	Flat rate for travel (Portugal, Spain)	3000,00

To calculate your total scholarship, you need to sum up the scholarship rate for subsistence and accommodation + total daily allowance scholarship + travel rate which applies to you.

For example, a participant from Ireland will receive the following scholarship:

$2100\text{zł} + 525\text{zł} + 2000\text{zł} = 4625\text{zł}$
